HFD TO CANVASS NORTHEAST HOUSTON NEIGHBORHOOD

WHAT: HFD will canvass the neighborhood of a recent residential fire in which HFD found two deceased adult males.

WHEN: Today, Oct. 24, 2005 at 1 p.m.

WHERE: Near 4018 Woolworth, Keymap 454Y

DETAILS: Members of HFD will inform citizens of fire safety tips, pass out fire safety information and remind citizens how important it is to have a working smoke alarm.

Non-working smoke detectors rob residents of the protective benefits home fire safety devices were designed to provide. The most commonly cited cause of non-working smoke detectors is worn or missing batteries.

****Captain Gilbert Bennett will be participating in the canvassing efforts. Media may page him for the exact location of the HFD Members during the canvassing at 1-800-341-9303.*
